\$\$ Money \$\$

For optional events, offerings, and one meal on the way home

Fishing Pole / Tackle / Fishing License

(If you want to fish)

A Sack Lunch for Thursday

### FREQUENTLY ASKED QUESTIONS (FAQ)

**Q: Will we stop for lunch on Thursday on the way to Pasco?**

A: Yes! Please bring a sack lunch for the drive. We'll stop at a rest area or truck stop (driver's choice) and enjoy a roadside meal together. And in case you forget, we'll pack up some sandwich fixins' in the RV.

**Q: Where will we set up camp?**

A: We will be camping at an RV park in Pasco, WA. We plan to have our RVs in the same area so we can set up a base camp for activities and hangout times.

**Q: While camping, will there be bathrooms? Water hookups? Electricity?**

A: Yes, yes, and yes! This year we're camping at an RV park, so all the facilities are available. You can even get a shower! So...call it "glamping."

**Q: Are fires allowed?**

A: Depending on wildfire danger, there should be fires allowed at the RV park. We will also have propane fire pits for smores, etc.

**Q: Will I need to cook my own meals?**

A: Nope! We have planned meals for the weekend and will cook onsite. We'll have a signup for volunteers to help with cooking and cleanup each meal.

**Q: Which events cost extra?**

A: Shotgun target shooting will be a shared expense (\$25 per attendee, the rest covered by conference registration) as well as bowling(\$15), go karts (\$17 per race). Golf tournament and foot golf require an additional fee and signup in advance (please contact Jon Arnold right away if you did not sign up for these events but would like to).
